

CAPABILITY STATEMENT

San Antonio Bakery Solutions (SABS) was established in 2011 in Chicago, IL USA. By 2017, SABS moved operations to Atlanta, GA. Our main objective is to be of service to each customer. We are proud to offer high quality products exclusively from Cremeria Americana, who has more than 100 years of experience. We service all states in the United States of America.

Business Summary

We are a Cremeria Americana distributor. Our main products are Butter, Margarine, Cream, Non-dairy toppings, fillings, glazes and more high quality products for the baking and cooking industry.

OUR VISION

To work closely and reliably with our customers, creating comprehensive solutions for the mutual growth of success and business by using technology, innovation, and fresh perspectives.

Portfolio of Products

Butter

Our Butter "Gloria" is the leading brand in Mexico since 1926. From savory sauces to baked goods, Gloria Butter adds pure, rich flavor to a variety of recipes. Our butter starts with fresh cream, which creates a pleasing and smooth flavor.

Margarine

Our Margarine "San Antonio" has the highest quality you can find on the market. We are a leading supplier of laminating margarines and fats with high plasticity for Viennoiserie, Danish, and Puff Pastry.

Confectionary Products

Our products like Cream Cheese and Fillings are ideal for any application, either fill, baking, topping, decorate and flavor.

Business Unit

We have a 3,500 sq ft warehouse with a 50 MT storage.
